4th ANNUAL WOMEN & CHILDREN HEALTH CONFERENCE

By Medcare Women & Children Hospital

**SYNERGISTIC APPROACHES IN SURGERY AND MEDICINE FOR
OPTIMAL WOMEN'S AND CHILDREN'S HEALTH**

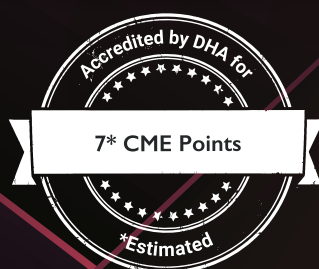

08:00 AM - 06:00 PM

Saturday
10th October 2026

Millennium Plaza
Downtown Dubai

Dear Sir/Madam,

We are delighted to extend a special invitation to you to join us as a sponsor for the 4th Annual Medical Conference on Women's and Children's Health, organized by Medcare Women & Children Hospital, to be held on Saturday, 10th October 2026.

The Conference will be centered around the theme: "Synergistic Approaches in Surgery and Medicine for Optimal Women's and Children's Health", and will take place as a one-day scientific conference from 8:00 AM to 6:00 PM. The event will bring together leading healthcare professionals and specialists in the field to explore evidence-based strategies, multidisciplinary collaboration, and innovations aimed at improving clinical outcomes in women's and children's health.

The Themes For The One Day Conference Are:

Session I - Common Session	
Precision, Prevention & Protection in Women's & Children's Health	
Session 2 – Women's Health	Session 2 – Newborn & Children's Health
Gynaecology & Reproductive Health – 4 Topics	Recent Updates in Paediatrics – 4 Topics
Session 3 – Women's Health	Session 3 – Newborn & Children's Health
Updates in Obstetrics – 3 Topics	Cardiovascular Management in Paediatrics – 3 Topics
Session 4 – Women's Health	Session 4 – Newborn & Children's Health
Multidisciplinary Women's Health Care – 4 Topics	Common Medical Disorders in Neonatology & Paediatrics – 4 Topics

Key Features of the Conference:

The 4th Annual Women & Children Health Conference 2026 will feature **26 keynote** lectures delivered by distinguished physicians representing a wide range of specialties, including Obstetrics & Gynaecology, Neonatology, Paediatrics, Paediatric Endocrinology, Paediatric Surgery, Paediatric Cardiology, Genetics, and many others.

With an expected attendance of **over 500 medical professionals** from across the United Arab Emirates, the Conference offers an excellent platform for knowledge exchange and professional collaboration. Participants will also be eligible to receive **7 estimated CME credit points**.

This annual gathering unites leading experts and clinicians to address current challenges, showcase innovations, and promote evidence-based practices in women's and children's healthcare, bridging global health trends with emerging regional perspectives to advance clinical excellence and improve patient outcomes.
